Dear Consultee,

CONSULTATION ON SUCCESS THROUGH SKILLS 2

The Department for Employment and Learning is consulting on a draft revised Skills Strategy for Northern Ireland – Success through Skills 2. The Strategy looks at our current skills base, examines the skills we may need in the future to grow the Northern Ireland economy and highlights areas for action. Once published, the finalised document will be viewed as the overarching strategy for skills development in Northern Ireland over the next decade.

The Department welcomes the views of stakeholders, interested parties and individuals on a number of consultation questions. The questionnaire and an electronic version of the strategy are available on the consultation section of the Department for Employment and Learning website:
www.delni.gov.uk/successthroughskills.

If you wish to speak to someone regarding this consultation or to receive the strategy in another format please contact Siân McCleave on 028 9044 1778 or Aine O'Neill on 028 9044 1807.

Yours sincerely

MICHAEL GOULD
Associate Director
Skills and Industry Division
